
2004 General Session Passed Bills Relating to Utah Technology

H.B. 29 UTAH TELEHEALTH COMMISSION AMENDMENTS**

Sponsor: Rep. Brad Dee

This bill changes the name of Utah Telehealth Commission to the Utah Digital health Service Commission.

H.B. 30 AMENDMENTS TO ADMINISTRATIVE SERVICES RATE COMMITTEE**

Sponsor: Rep. David Clark

This bill creates a rate committee within the Dept. of Administrative Services to review fees collected and charges that department to conduct a market analysis of fees charged.

H.B. 31 INFORMATION TECHNOLOGY PROCUREMENT AMENDMENTS**

Sponsor: Rep. David Clark

This bill clarifies responsibilities of the director of the division of Information technology services to review purchases for the division using state procurement code and business case analysis.

S.B. 15 ** CARRYOVER OF AUTHORIZED CAPITAL OUTLAY AMENDMENTS

Sponsor: Sen. Beverly Ann Evans

This bill lapses an internal service fund agency's unused capital acquisition authority at fiscal year end, provides for nonlapsing capital acquisition authority under certain requirements, and requires an annual report and review of accumulated nonlapsing capital outlay authority.

H.B. 25 GOVERNMENTAL INTERNET INFORMATION PRIVACY ACT

Sponsor: Rep. Wayne Harper

This bill enacts provisions governing privacy policies and the collection of personally identifiable information by a governmental entity and enacts provisions regulating the posting of personally identifiable information on a court website.

H.B. 323 SPYWARE REGULATION

Sponsor: Rep. Steven Urquhart

This bill prohibits spyware from delivering advertisements to a computer under certain circumstances, requires spyware to provide removal procedures, allows a website, trademark, or copyright owner to bring an action to enforce the requirements, and requires the Division of Consumer Protection to collect complaints.

H.B. 341 CHILDREN'S INTERNET PROTECTION ACT

Sponsor: Rep. Michael Noel

This bill prohibits a public library from receiving state funds unless the library implements and enforces measures to filter Internet access to certain types of images, allows a public library to block materials that are not specified in this bill, and allows a public library to disable a filter under certain circumstances.

S.B. 16 IDENTITY THEFT AMENDMENTS

Sponsor: Sen. Carlene Walker

This bill establishes that the residence of the victim of identity theft in this state is sufficient to establish jurisdiction in this state; permits the prosecution of an identity theft in the county where the identity was stolen or used, or where the victim resides; allows prosecution in any county where the identity was stolen, used, or where the victim resides when the offense occurs in multiple jurisdictions; and establishes that the unauthorized possession of another person's identifying documents is a crime.

S.B. 66 TELECOMMUNICATIONS AMENDMENTS

Sponsor: Sen. John W. Hickman

This bill requires a municipality or an interlocal entity under certain circumstances to comply with specified provisions of the Municipal Cable Television and Public telecommunications Service Act, and modifies bonding requirements in the Municipal Cable Television and Public Telecommunications Service Act.

S.B. 92 REPEAL OF UNSOLICITED COMMERCIAL AND SEXUALLY EXPLICIT EMAIL ACT

Sponsor: Sen. Patrice Arent

This bill repeals the Unsolicited Commercial and Sexually Explicit Email Act.

S.B. 93 TELECOMMUNICATIONS ANNUAL REPORT AMENDMENTS

Sponsor: Sen. Beverly Ann Evans

This bill modifies the requirements related to the public Service Commission's annual report on the state of the telecommunications industry.
